address book

The screenshot shows the 'Send Email' interface. At the top, there are navigation links: Attendee List, COD Payments, Pending Payments, Email Attendee, and Email Templates. Below these is the 'Send Email' title. The interface is divided into three main sections: 'Source of Addresses', 'Choose Addresses', and 'Invite Participants'. The 'Source of Addresses' section has a sidebar with options: Address Book, Single Email, Events, Web Mail, CSV, and Select from Current Event. The 'Choose Addresses' section has a table with columns 'Name' and 'Contacts Created', and a message 'No Records Found! Create Your Contact List'. Below this table is a blue button labeled 'Add Address to the Participants' List'. The 'Invite Participants' section has a message 'You've invited participants. Remove all' and a table with columns 'Email Address' and 'Name'. At the bottom right, there is a checkbox labeled 'Save the participants to your Address Book.'.

- Built in address book with your attendees
- Easily upload any of your existing databases

email blast

The screenshot shows the 'Text for Email' interface. It has a title 'Text for Email' and four input fields: 'From', 'Reply To', 'Subject', and 'Message'. The 'Message' field is a rich text editor with a toolbar containing icons for bold, italic, underline, link, unlink, list, list, link, unlink, font color, and background color. Below the toolbar are dropdown menus for 'Styles', 'Format', 'Font', and 'Size'. At the bottom right, there is a blue button labeled 'Send Now'.

- Send out email blasts using our standard templates or create your own right within the Ayojak platform!
